

BACK TO THE FUTURE!

OUTBREAK HALTED DUE TO DATA SHARING!

- EARLY IDENTIFICATION.
- OUTBREAK SURVEILLANCE SYSTEM...

- DATA COMES INTO A DATA HUB... from DISPARATE DATA SOURCES.
- ... and THEN IS DISSEMINATED INTO THE COMMUNITY for MOBILIZATION! ... via ALERTS.
- HEALTH
- MENTAL HEALTH
- SOCIAL SERVICES
- SCHOOLS

DATA SHARING HALTS SUPERFLU and SAVES CHILDREN.

INVESTING IN CHILDREN IS THE NEW NORM!

Putting Children at the Center of Policy

- Youth at the Table!
- There would be a TECH council.
- A multi-sector effort...
 - CHILD WELFARE
 - PUBLIC HEALTH
 - JUVENILE JUSTICE
- Financial incentives for participation...
- Public/private support...
 - ...ushers in new technology to IMPROVE CHILDREN'S HEALTH and WELLBEING

NAVIGATING SERVICES MADE MORE INTUITIVE...

- COMMON PURPOSE!
 - Meeting people where they are...
 - Iterating toward success...

- Focus on USER EXPERIENCES.
- Focus on OUTCOMES, like preventing child death
- "More windows, more doors." - NO WRONG DOOR!

COLLABORATION REDUCES BURDEN OF ACCESS and INCREASES EFFICIENCY!

MORE FAMILIES SEEING POSITIVE OUTCOMES, even with tightened budgets.

SUCCESSFUL CHILD LIFE HUB BUILT!

Family Pilot underway...

- Coming together of GOVERNMENTAL and NON-PROFIT AGENCIES.

- A CENTRALIZED DATA COLLECTION HUB...

- "Everyone came to the table with LEADERSHIP SUPPORT and a MINDSET that this needs to HAPPEN!"
- Extract data from systems already built... and BUILD NEW SYSTEMS, too.
