

WHY do we CARE?
Why does this matter **NOW**?

We haven't been doing a GOOD JOB of it?

INFORMATION SHARING is at the HEART of EVERYTHING we want to do.

How does "LANGUAGE" work together?

Are we a **SYSTEM?** ...an **ENTERPRISE?** ...or just a **COLLECTION of AGENCIES?**

It's a **HOLISTIC APPROACH... INTEROPERABILITY!**

The **MANDATE** of ACF: **BETTER HEALTH and WELLBEING** for CHILDREN and FAMILIES...
WE NEED TO WORK ACROSS SYSTEMS because FAMILIES work across SYSTEMS RESOURCE NETWORKS

- 1. We are being asked to DO MORE with LESS.
- 2. Increasing RECOGNITION of the IMPORTANCE of WORKING across HEALTH and HUMAN SERVICES.

WE ARE IN THE MIDST OF A TIDAL WAVE OF DATA!

How do we make use of it?
What do we do with it?

- 3. We're being held accountable for **TRANSPARENCY** and **OUTPUTS**.
- 4. This is a **CHALLENGING TIME** to GET THINGS DONE.

INDIVIDUAL HEALTH OUTCOMES will not be solved alone by **DATA HEALTH INSURANCE SHARING**

Sharing is IMPORTANT, though, so that we aren't always trying to RE-ORG or BUILD from SCRATCH.

- Developing USE CASES at the EDGES of the ENTERPRISES...
- GOVERNANCE STANDARDS PRIVACY
- IDENTITY RESOLUTION
- HUMAN TRAFFICKING
- BIOSURVEILLANCE
- MENTAL HEALTH

ROUND TABLE:

FEDERAL INTERAGENCY COLLABORATION

Paul Normeli
Maria Cancian
Jessica Kahn
Kshemendra Paul

- STANDARDS
- PRIVACY FRAMEWORKS

It's about ALL OF IT!

WHAT NOW?

CAN WE DO

- INTEROPERABILITY IS NOT just about DATA and SYSTEMS!
- It's about a **FAMILY and PERSON-CENTRIC PERSPECTIVE!**

SEE THE PERSON!

WHAT ABOUT MODELING?
Do STATES know where they SHOULD be?

- WE ARE WORKING ON **PROOFS OF CONCEPT!**
- DEMAND DRIVEN not SUPPLY DRIVEN
- THERE is the RISK of DISRUPTION!
- SEAMLESS DATA EXCHANGE, SEAMLESS CONTINUITY of CARE.

- PROJECT INTEROPERABILITY**
- A WEBSITE...
- A PROJECT MANAGEMENT OFFICE...
- STATEWIDE INFORMATION SHARING ENVIRONMENTS

We know how to BUILD INFRASTRUCTURE for CULTURAL CHANGE!

- BUILD the LONG TERM INFRASTRUCTURE.
- BUILD on the WORK of STATES. - This is where the REAL WORK happens!

WHAT'S OUR CULTURE AROUND **DATA EXCHANGE and SHARING?**

YES!

What's the **POLICY GOAL?**
The **BARRIERS** and **RESTRICTIONS?**

An **ARTICULATION** of **GOALS** and **EXPECTATIONS?**

ACF: A LETTER WILL GO OUT IN JULY DESCRIBING A SET OF RESOURCES for TECHNICAL ASSISTANCE and COLLABORATION FACILITATION.

"ACF can PAVE THE ROAD toward INTEGRATED and INTEROPERABLE SYSTEMS... We help STATES to identify RISKS as well as BENEFITS about **POLICY CHANGES** and IMPLICATIONS for FAMILIES."

IT'S GETTING MOMENTUM!

ERADICATING the HEROIN EPIDEMIC through:
 • INFORMATION SHARING and REAL-TIME INTELLIGENCE between LAW ENFORCEMENT and PUBLIC HEALTH.
 • The INTERSECTION between HEALTH and JUSTICE toward **PREVENTION!**

GUIDANCE, not REQUIREMENTS...

- How do **COMMUNITIES** at the **SUBSTATE LEVEL** get ACCESS?
- TOOLS** as **PUBLIC UTILITIES??** Can we build tools and platforms so that everyone can access the same "ON RAMPs"?
