

PREPARING the FUTURE...

Leveraging Health Reform to Ensure Linkages between Human Services and Health in the Near Term and Long Term.

DARRELL GASKIN

Established HEALTH CARE EXCHANGES to provide health care access for people within certain income guidelines

Fully operational by 2014...

- BRONZE
- SILVER
- GOLD
- PLATINUM

TYPES/LEVELS of COVERAGE...

- What's the role of BROKERS?
- Balancing interests of stakeholders...
- Pending legislation by states allowing for health exchanges within the state.
- Developing standards and procedures...

JOSEPH BODNER

CONNECTION WITH HUMAN SERVICES...

Let's piggyback on what CMS is doing...

...and REINTEGRATE HEALTH and HUMAN SERVICES.

INTEGRATION is the WAY to GO!

We're trying to convince our state partners of this.

We've drunk the Kool-Aid!

We're more SIMILAR than we think!

Who's at the TABLE?

We're working with "BEST PRACTICE" states to share their models.

Look for them on the website!

What do we HAVE TO DO RIGHT NOW to take advantage of this particular moment in time?

Tick Tick...

WHAT

is the difference between FEDERALLY FACILITATED EXCHANGES and FED-STATE PARTNERSHIP MODELS?

What do I do if I have QUESTIONS?

DIFFERENT STATES have structured their exchanges in different ways.

What do you need to know about me to enroll?

Immigration/
Citizen Status
SSN
Tax info/Income info

The EXCHANGES will be administered as a TAX ISSUE!

THERE will be NO FEDERAL BRICK and MORTAR presence!

14 states and DC are moving ahead with exchanges.

TYPES of GRANTS from the FEDS...

- TYPE 1: Exploratory, Study, Research, Preparation
- TYPE 2: Implementation, Exchange Design + Structure

HENRY CHAO

"In order to have open enrollment by Oct 2013, we need to have planned management by Nov 2012!"

- Data
- Structure
- Basis for comparison tools.
- Navigation

90/10 money is NOT ACA!

It is the BIG PICTURE... allowing us to build interoperability LONG TERM!

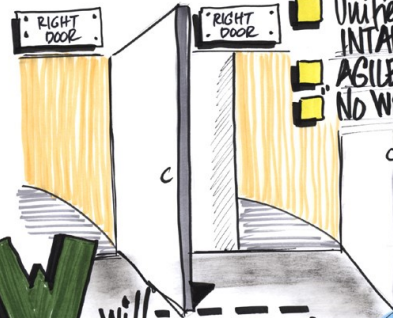

How WILL it work?

- Develop PERFORMANCE MEASURES.
- ASK how to support WORKERS to help them SERVE CLIENTS BETTER.

BEGIN the PROCESS of QUALIFYING PROVIDERS...

Do you know ME as a customer?!

...and HOW DO YOU GO ABOUT FINDING OUT?

- Unified CASE INTAKE...
- AGILE PROCESSES...
- No WRONG DOOR!

How

Can the FEDERAL GOVERNMENT be helpful?

- Artifacts
- Timelines

Work on a FED-STATE roadmap together?

Strategic timelines!

Leverage locally?

Consultation on TECHNICAL and WORKFLOW CHALLENGES.

FEDERAL AGGREGATED DATA WAREHOUSE?

FEDS SHOULD DEVELOP a PROCESS and the STATES can OVERRIDE the PROCESS/STEPS when appropriate.

At least 23 steps... and they're not de-coupled??
