3.

● LET'S THINK OF  
FIVE THINGS WE  
CAN BUILD!

...and then  
find partners to  
build them!

## TALK BACK from the SMALL GROUP WORK

● How do we "MARKET  
OUR INVESTMENTS" to  
the PUBLIC? ... as well as  
SPEAK with ONE VOICE?

● COLLABORATION  
is KEY in a time  
of LIMITED  
RESOURCES!

→ Be PUBLIC  
and SHARE when  
possible.

● "It takes  
awhile to come  
to agreement  
on the ITERATION  
of the IDEA."  
... and figure  
out how to  
COMMUNICATE it.
